overview

Teen Court is an innovative alternative to traditional juvenile court proceedings for first-time nonviolent offenders. It is designed to promote values of justice, fairness, and safety in the lives of adolescents. Teen Court intends to help other teens accept responsibility for their actions and holds them accountable for their behavior. In addition, Teen Court seeks to provide youth with better decision making skills to avoid further contact with the Juvenile Court System.

Teen Court is made up of selected teens from all over Wood County. Teen Court consists of a Teen Prosecutor, Teen Defense, Jury members, Baliff and Jury Foreman, with an adult hearing officer presiding.

Representatives from the Wood County Prosecutor's Office will choose individuals, based on applications and interviews, from Wood County to serve as members of the Teen Court. Those selected will be notified of the details regarding their term.
